

## Bali Bliss Retreat

June 5-12th, 2021: *Where Sex + Spirit Come Together*

## *Where Sex + Spirit Come Together*

**In the spring of 2021, I'm bringing eight couples—and a handful of adventurous singles—to Bali,** for six days of sensual exploration, sexual mastery, heart-opening lessons, erotic inspiration + wild exhilaration.

Come with me...

*To one of the most magical, awe-inspiring places on the planet.  
And when you come, here's what will happen:*

**You'll step into a sexual sanctuary.** Your Bali retreat is truly a mind, heart + hot sex immersion. You'll enjoy catered meals, yoga, meditation—and of course, scheduled sex dates, with yourself or your partner. And just what happens, when you devote three-plus hours a day to sexual play? You'll find out...

**You'll have my intuition, wisdom + full attention.** In small groups + salons that meet every day, we'll expand your erotic imagination with new skills, techniques and practices. Your questions will be answered. Your life force will be stoked. You'll find the soaring intersection of spirit + sex. And stay there.

*You'll love every moment.*

**You won't know what's next.** But you'll love every moment. While you're off completing your erotic assignments, I'll be arranging luxurious surprises—like fabulous sex toys, housemade truffles—to make your unplugged adventure even more unforgettable.

**You go home**—and step into your life with unbridled energy, charisma, and magnetism. That's the power of sexual energy, unleashed. Just get ready. (And warn your friends.)

## *About Bali:*

Long called the “island of the gods,” Bali is steeped in rich cultural tradition. Strong connections to nature and the cosmos create a feeling of harmony and living at one with the divine flow.

The land and energy here is very fertile. It’s the perfect place to plant potent seeds and watch them grow in your life.

Diving deep into yourself, your own natural rhythms, and your partner’s, you will open up your heart and your genitals. When you leave, you’ll infuse that power and energy into everything you do.

Imbibe yourself with the magic, beauty and heart-opening power that is Bali.

*And if you want to take a break from the sex...*

The resort is wonderfully situated for other mind-body-soul adventures as well. Optional excursions include: jungle hiking, sunrise volcano trekking (image below!), visits to ancient temples and Balinese cooking classes.

The spa is available for massage therapies, facials, holistic rituals or body scrubs. The spa specializes in using mixtures cultivated from native plants; which you can learn about in one of the onsite workshops.

## *FAQ: Internet + Communication*

### **IS THERE WI-FI?**

Yes. No additional cost is required.

Bagus Jati is located in a jungle area, in a country with sometimes unstable internet connection. Please don't expect to have the same Wi-Fi service reliability as if you normally do at home.

However, I encourage you to take this opportunity to unplug. It's rare in this day and age that we remove ourselves completely from the grid. By eliminating or minimizing online contact during your stay, you will deepen your experience and detox on a more profound level.

### **IS THERE CELLULAR PHONE SERVICE?**

Yes, at different places on the property.

## *FAQ: Location + Transport*

### **HOW FAR AWAY FROM THE AIRPORT IS BAGUS JATI?**

Bagus Jati is about 90-120 minutes north of Denpasar (DPS)/the airport.

### **HOW FAR IS IT FROM UBUD?**

Usually less than 30 minutes.

### **HOW DO I GET TO BAGUS JATI?**

You will be picked up in a private car.

### **WHAT TIME SHOULD I PLAN TO ARRIVE?**

Saturday early-mid afternoon.

## *FAQ: Check In + Check Out*

### **AT WHAT TIME CAN WE CHECK-IN?**

3pm.

### **AT WHAT TIME IS CHECK OUT?**

11am.

## *FAQ: Food + Beverages*

### **WHAT WILL THE MENU BE LIKE?**

The menu is an Indonesian and Western fusion of whole foods vegetarian with fish and sea food. Fresh juices, fruits and vegetables are sourced from the resort's organic garden.

### **WE NEED ANIMAL PROTEIN; WE LIKE TO EAT MEAT, IS THAT POSSIBLE?**

Yes, with notice, we can include chicken in your menu, as well as more fresh fish, and seafood.

### **WE ARE VEGAN, RAW FOODIST, ETC?**

Yes, please send us your specifics at least two weeks before your arrival. We can cater to vegan, raw, gluten-free requests.

### **I'M ALLERGIC TO GLUTEN, MUSHROOMS, PEANUTS, ETC..**

Please let us know of your food allergy at least two weeks before your arrival to the retreat, and we'll make sure your diet restrictions will be catered to.

## *From the Sexually Enlightened*

Most of my sex/intimacy clients tend to value their privacy. As do I.

The bulk of the testimonials I receive are quietly anonymous.

Except Britt. She's not shy.

## *Post-salon/VIP weekend praise*

“ One of the most powerful experiences of my life. During our first dinner meeting, Kim went deeper with me than I’ve gone with anyone. She drew things out of me I didn’t know were there, let alone how to get to them. I’ve had pivotal, life-changing revelations in our time together. She’s amazing and gifted. Seeing her will alter you forever.”

– **RJ, San Diego.**

**He buys and sells territories.**

“ My wife and I have been happily married (mostly!) for three decades. We work at it. Despite being in a great place, Kim gave us an arsenal of tools to use for the long haul. She elevated our intimacy and sex life tenfold. We’ve seen a number of professionals in our time—she’s the best. Hands down.”

– **T.T. + R.T., Boca Raton.**

**He CEO’s things. She nurtures things.**

“ I was ready to leave my wife. On the brink. We decided to give it one more shot, after coming across Kim. She “feng shui- ed” our relationship, as she calls it, leaving us with an entirely new one in her wake. Her insights and support span spiritual/ sexual/ philosophical boundaries, synthesized into this wild little package. She’s our spiritual/sexual guru.”

– **S.K. + J.M., New York.**

**He’s into software. She writes.**

“ The weekend was out-of-this world. Kim orchestrated a powerful, beautiful, heart-opening experience for us. Like a great yoga instructor, she was there to inspire, enlighten and guide, while staying in tune with us and giving slight adjustments. She held us, but let us grow in our own way. Worth the investment, many times over.”

– **B.W. + L.W., London.**

**She models. He plays music.**
